## ~Norfolk Island Weddings~

Destination weddings are a wonderful way to combine your wedding, reception and honeymoon, extending your special day into a week-long affair surrounded by all of your loved ones. In the past marrying away from home generally meant eloping, but not anymore - destination weddings are gaining momentum, keeping stress, expanding guest lists and costs to a minimum.

Norfolk Island is the perfect Pacific Island holiday getaway and an unforgettable location for your big day. The team at Paradise Hotel & Resort can help to make your wedding day everything you hoped for and more.

At just over two hours flying time from Sydney or Brisbane and less than two hours from Auckland, the Island has everything you need to host a memorable wedding celebration.

Boasting panoramic cliff-top ocean views, pristine beaches and rolling green hills dotted with majestic pine trees, Norfolk offers a variety of breathtaking ceremony sites to choose from.

Or for a more traditional ceremony the stunning St Barnabas Chapel is a lovely option. Made from stone blocks and featuring magnificent stained glass windows, the chapel features manicured gardens and pews that sit parallel to the aisle so your guests don't miss a moment of your entrance.

## ~Paradise Hotel & Resort~

Paradise Hotel & Resort offers numerous reception venues catering for an intimate gathering or large affair for up to 250 guests, surrounded by lush sub-tropical gardens. Our in-house restaurant La Pèrouse has earned a reputation as being one of the foremost fine dining establishments on the island serving Modern-French inspired cuisine fusing island fare. Our head chef is happy to create a beautiful menu and beverage package to suit your taste and budget.

Whether you choose our large function room complete with stage and dance floor (ideal for speeches and live entertainment) and equipped with a private cocktail bar spilling out to an outdoor courtyard or perhaps our restaurant opening out onto garden rotunda's, we have something for everyone. We can also build accommodation options into your wedding package for your guest's convenience.

Concerned about decorating? Leave it to us. We can take the hassle out of decorating your reception venue with our wedding decorations, centrepieces, linens, chair covers and assorted items available in various colour schemes. We can work together to create the reception setting you always envisioned.

We can also arrange airport transfers; hire cars, island activities and group tours for your party during your stay.

For any enquiries or quotes, please contact us to tailor your wedding package in Paradise.
